

Become a member of Chieftains Museum Major Ridge Home today!

Memberships keep the lights on and the collections protected against decay. Most foundations and federal dollars do not fund operating expenses. Your membership will help to keep our doors open. All levels of membership include a 10% discount in the Museum Store, early shopping privileges at the annual Herb and Plant Sale, and unlimited free admission to the Museum and its on-going exhibits. Members are also invited to the annual Membership Party each fall, hosted by our Board of Directors, featuring an unusual menu of food with a Cherokee influence.
